# Your brand Booster!

who we are

Bonne is a global leader in supplying high-quality innovative cosmetics throughout the world.

We plan and propose customized product concepts satisfying diverse needs of customers. We not only develop a variety of high-quality cosmetics in each category but also supply those to consumers through e-commerce, retail store, and direct sales channels.

As for customer requirements on developing complete products, Bonne provides full service ranging from product planning to package design and marketing strategy.

We demonstrate excellent capabilities to develop all kinds of cosmetics. (Basic care, makeup, hair care, body care, nail care cosmetics, etc.)
