BONNE
BEAUTY EXPLORER

Bonne is a **global leader** in supplying high-quality innovative cosmetics throughout the world.

We plan and propose customized product concepts satisfying diverse needs of customers. We not only develop a variety of high-quality cosmetics in each category but also supply those to consumers through e-commerce, retail store, and direct sales channels.

As for customer requirements on developing complete products, Bonne provides full service ranging from product planning to package design and marketing strategy.

We demonstrate excellent capabilities to develop all kinds of cosmetics.
(Skincare, makeup, hair care, body care, nail care cosmetics, etc.)

WHY CHOOSE BONNE

The Three Core Competitiveness of Bonne in OEM and ODM.

1

Strategic Network

Bonne collaborates with leading labs, manufacturers and packaging companies in Korea to offer customized products that align with trends and customer needs.

2

Efficient Supply Chain Management & Quality Control

Instead of Client, Bonne provides on-site inspection with packaging & bulk manufacturers to meet reliable lead time & quality level.

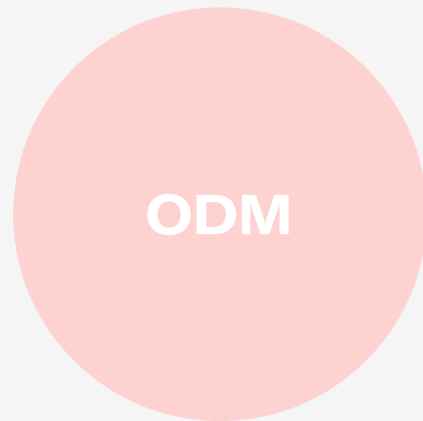

3

Competitive Pricing

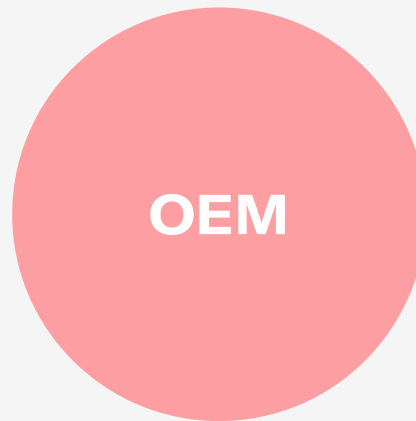

Bonne achieves competitive pricing by sourcing components efficiently and leveraging partnerships, avoiding extra fees for self-supplied materials.

WHAT WE DO

For successful global beauty business, we provide a panoply of incomparable total services based on wide-ranging beauty infrastructure and an in-house system that have been built since 2009.
